

The Team Grill Patio Series GAME-DAY

The Official Barbeque Grill of Your Favorite Team

The Team GrillTM Patio Series GAME-DAY is the gas grill for die-hard sports fans. Combining professional-grade cooking capabilities with the officially licensed logos and colors of your favorite team, Team Grill creates a one-of-a-kind grilling experience for game day and every day.

Every Team Grill Patio Series GAME-DAY grill is decorated using a triple-fired porcelain-enamel finishing process designed to perfectly match your team's logo and colors. The auto-quality finish cleans easily with soap and water and is designed to withstand the weather as well as the high-heat environment of the grill.

The unique stainless steel front shelf closes to conceal the control panel when the grill is not in use. The side shelves supply plenty of food preparation space. With three stainless steel burners, porcelain-coated cooking grates, under-grill gas tank storage and a built-in bottle opener, the Team Grill Patio Series GAME-DAY offers the ultimate cooking experience for fans of grilling and sports.
