

The Team Grill TAILGATE Series

The Tailgate Grill for Serious Sports Fans

The Team Grill™ TAILGATE Series is the barbecue industry's first-ever high-end portable gas grill designed specifically for sports fans. Combining professional-grade cooking capabilities with the colors and logos of popular sports teams, Team Grill creates a one-of-a-kind grilling experience for game day and every day.

Perfect for grilling at the game or on camping trips, the Team Grill TAILGATE Series is a portable version of the Team Grill Patio Grill. Every Team Grill is customized using a patented, triple-fired porcelain-enamel finishing process designed to perfectly match your team's logo and colors and last for the life of the grill. Featuring heavy-duty side shelves and the ability to cook using standard 20-pound gas tanks or compact 16.4-ounce propane cylinders, the Team Grill TAILGATE Series can be collapsed and transported like a travel suitcase, complete with heavy-duty wheels and carrying handle.

Offering more than 300 square inches of total cooking area and 22,000 BTUs of heat, the Team Grill TAILGATE Series grill creates the ultimate cooking experience – one to be shared with friends and family as you cheer on your favorite team.
